COMPLIANCE & QUALIFICATION FRAMEWORK

DATA CENTRE
ATTESTATION

- Operator Attestation
- Infrastructure Verification
- Signed by Operator
- Confidential

PURPOSE	DOCUMENT TYPE	APPLIES TO	CLASSIFICATION
Facility Attestation	Attestation	Data Centre	Confidential

Purpose

This attestation is completed and signed by the data centre operator, not by the customer or end user, and is ideally sent to us directly by the data centre. It confirms the facility, the power and space allocated to the deployment, operational control, and the hosting arrangement. It supports T2 Infrastructure Verification and the review pack. Completion does not guarantee approval, allocation or supply.

DATA CENTRE **ATTESTATION**

To be completed and signed by an authorised representative of the data centre operator. Fields highlighted in red, and all YES / NO questions, must be completed.

SECTION 1 | DATA CENTRE OPERATOR

Operator Legal Name	
Operator Registration Number	
Country of Incorporation	
Operator Contact Name	
Operator Contact Email	
Operator Contact Telephone

--	------------------------------	-----------------------------

SECTION 5 | OPERATIONAL CONTROL & HOSTING

The named facility will physically house the equipment for this deployment.	☐ YES	☐ NO
---	------------------------------	-----------------------------

The customer or end user retains exclusive operational control of the equipment.	☐ YES	☐ NO
--	------------------------------	-----------------------------

A signed hosting or colocation agreement is in place for this deployment.	☐ YES	☐ NO
---	------------------------------	-----------------------------

The operator will notify the supplier of any relocation or material change to this deployment.	☐ YES	☐ NO
--	------------------------------	-----------------------------

The operator will cooperate with any site verification or compliance review.	☐ YES	☐ NO
--	------------------------------	-----------------------------

SECTION 6 | ATTESTATION & AUTHORISED SIGNATORY

I confirm, on behalf of the data centre operator, that the information provided above is true, accurate and complete, that I am authorised to give this attestation on behalf of the operator, and that the operator will provide the power, space, cooling and operational arrangements stated. This attestation is given directly to the supplier by the data centre operator.

Signed for and on behalf of the data centre operator

Operator Company Name	
Authorised Representative	
Job Title	
Email Address	
Telephone Number	
Date (DD / MM / YYYY)	
Signature	Sign here, or insert a signature image
Operator Stamp (if applicable)	Affix company stamp within this box

This attestation is valid for twelve months from the date of signature, or until any material change to the facility, the allocation or the deployment, whichever is sooner.
